

Quarters for Katrina

help MYX support youth affected by Katrina

MYX needs your help

Please make a contribution to support our
“*Strokes of Strength & Hope: Friendship mural*”.

In March 2006, MYX will participate in the National Youth Leadership Conference taking place in Philadelphia. During the conference we will invite youth to participate in the painting of a 12'x12' canvas mural entitled “*Strokes of Strength & Hope: Friendship mural*”.

“*Strokes of Strength & Hope: Friendship mural*” will allow Philadelphia youth to communicate and connect with youth in Mississippi through symbols, poetry, images and positive messages about strength, hope and friendship. When completed, the mural will be donated as a gift to a youth community heavily affected by Hurricane Katrina. The recipients of the mural are students from Central Elementary School in Pascagoula, Mississippi

In May 2006, MYX will be traveling to Mississippi to hand deliver the murals and to conduct free arts-based workshops for the students in Mississippi.

We appreciate your monetary donation to help support this special project.
